

Joe Wilson's 2017 Agenda

Creating Jobs, Reducing Spending, Enhancing Cyber, and Strengthening Military

Create Jobs and Economic Growth

Work with local chambers and agencies to bring jobs to South Carolina

Protect South Carolina's "Right to Work" laws

Continue to advocate for current and future missions at the Savannah River Site (SRS) and Savannah River National Lab

Repeal and Replace Obamacare, which destroys jobs

Reduce Regulations that harm jobs

Support a Balanced Budget Amendment to the Constitution

Support Conservative budgets

Promote tax cuts proposed by President Trump

Eliminate burdensome government regulations that stifle small businesses and job creation

Strengthen our nation's cyber capabilities

Work with President Trump to coordinate an inter-agency response to cyberattacks

Strengthen our nation's offensive and defensive cyber capabilities

Study our nation's response to emerging cyber threats, such as vehicle safety

Promote public private partnerships to encourage cyber innovation

Promote Our Military and Veterans

Back President Trump's pledge to promote peace through strength

Protect TRICARE benefits and sustain the quality of life for military families

Reverse defense sequestration

Support Guard and active Reserve units

Ensure our Veterans receive quality healthcare

Support reforms to the VA system
