Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for SC-126 Belvedere Clearwater Road Widening in surface transportation reauthorization legislation.

The project sponsor for this project is Aiken County, South Carolina and the project is located at SC 126 between U.S. Highway 1/U.S Highway 78 and Old Sudlow Lake Road.

The project will widen a 1.87 mile section of SC 126 between U.S. 1/U.S.78 and I-520 from two lanes to five lanes. The widening project is necessary to address increasing traffic volumes, and to accommodate a growing commuter population in western Aiken County. Traffic volume along the project corridor is anticipated to increase 130% by 2030. The project is an appropriate use of taxpayer dollars and will include improved access for bicycle and pedestrian users of the corridor and increased access to commercial uses at the north and south ends of the corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JOE WILSON
Member of Congress
